

GLORY & GRIT

SEASON 2 • EPISODE 7 • COMPANION PAGE

When Everything Changes at Once

What if God's faithfulness is already showing up in ways you haven't learned to notice?

TRUTH TO CARRY

God's faithfulness is not limited to the outcome you hoped for. He may reveal His care through the people, places, reminders, and provisions that carry you through a changed outcome.

PRAYER PROMPT

Ask God to help you notice how He is caring for you, remember what He has already done, and release the future you cannot control.

REFLECT

- Where has God provided for me differently than I expected?
- What small evidence of His care might I have overlooked?
- What do I need to remember when fear makes tomorrow feel uncertain?

GRIT PRACTICE • STONES OF REMEMBRANCE

Write down three small evidences of God's care from this week. They do not need to be dramatic. Name what happened and what you want to remember about it.

WHAT HAPPENED	WHAT I WANT TO REMEMBER

ONE FAITHFUL ADJUSTMENT

Do not solve the whole future today. Record one provision, ask for one piece of help, receive one period of rest, or take the next faithful step in front of you.

CLOSING REMINDER

You may not know what tomorrow holds. You never truly did. But you can remember who has carried you this far - and trust Him with the next ordinary day.

Share this page gently with someone who may need help remembering where God has met them.
